

**Communications Committee Report
for National Board Meeting**
of
CARATS, Inc.

June 26, 2018

The **Communications Committee** Report was erroneously labeled/submitted as the Public Relations Committee Report at midyear. This report has been corrected for the record. There are no other changes from the midyear meeting. The report is shown below in full.

The Committee successfully released the final Newsletter under the Maureen Black Administration in February 2018.

The Newsletter was distributed to all Carat Presidents and to our National Corresponding Secretary for distribution.

The cost to produce the Newsletter was \$150 which was donated by the **Communications Committee**.

It has been a pleasure to serve under our President – Maureen Black.

Respectfully,

The Carat **Communications Committee**

Patricia Hernandez (St. Louis)

Valorie Moten (St. Louis)

Jacqueline Brown (Chattanooga)

Shirley Cole (New York)
